

**OMAKS** | **10** YEAR ANNIVERSARY

PACKAGING MACHINERY **CATALOG**

Omaks Makina is a manufacturing company that offers quality machinery and services to its customers with its 20 years of experience. Among the products manufactured, there are products that appeal to many different sectors such as special-purpose horizontal packaging machine manufacturing, wafer baking oven and plant, maintenance and assembly works.

Thanks to its "happy customer" oriented approach, Omaks Makina understands customer demands in the best way and shapes the design and production processes of its products according to customer needs. Increasing the durability and efficiency of the products by using quality materials, the company aims to establish long-term cooperation by prioritizing customer satisfaction.

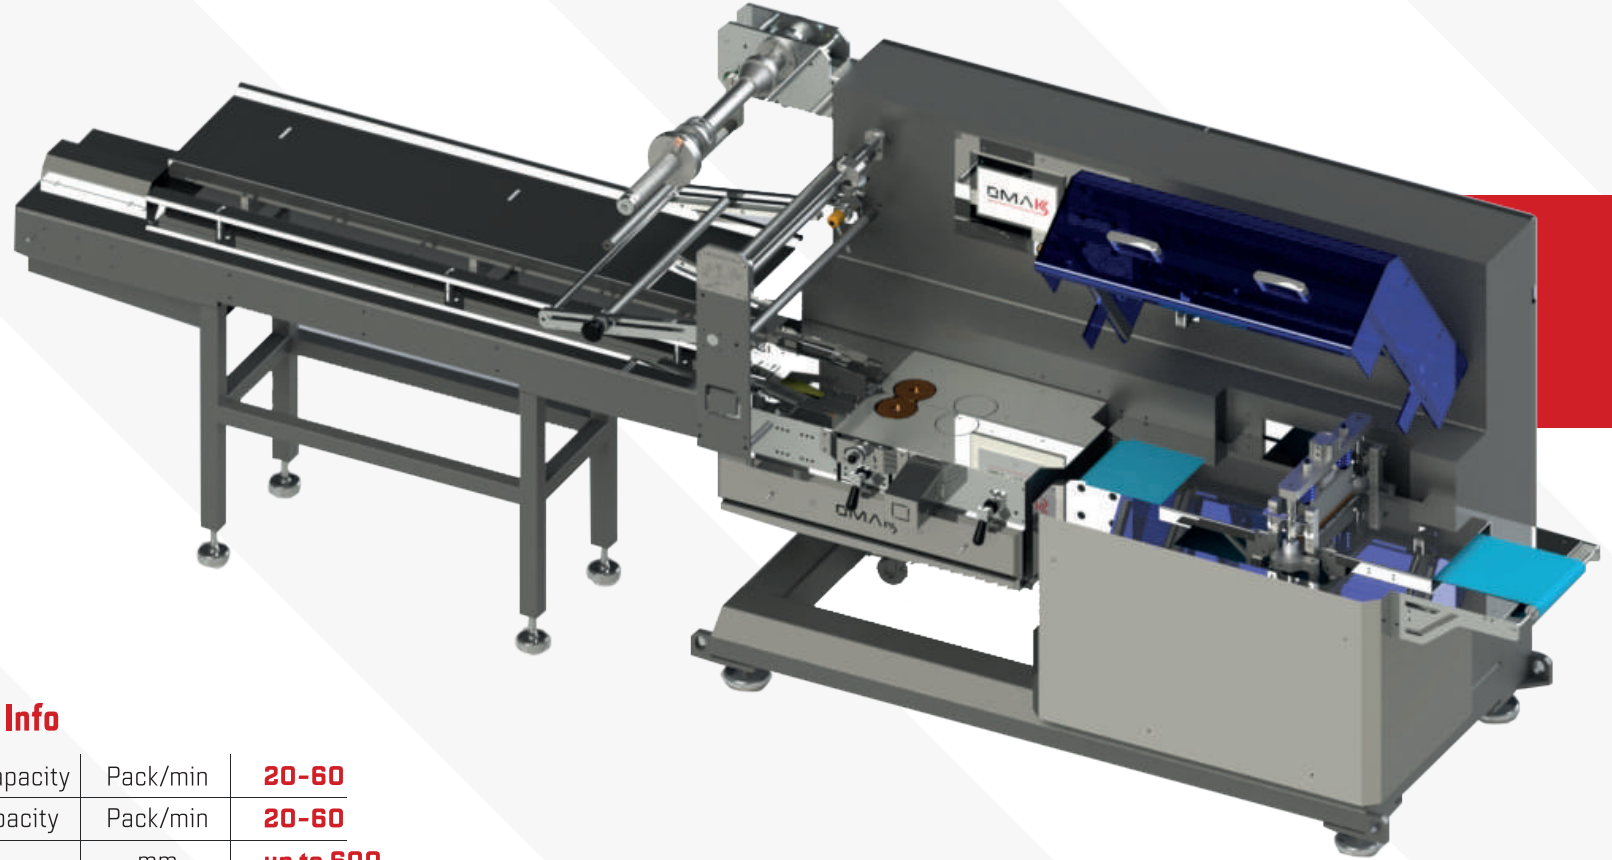

Omaks Makina offers its customers reliable, high quality and innovative machines and aims to have a leading position in its sector.
